APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change a portion of the place and manner of use of the waters of the Truckee and Carson rivers as set forth under the Newlands Reclamation Project rights in the Truckee and Carson River final decrees as previously changed by Permit 60771 is issued subject to the terms and conditions imposed in said decrees and Permit 60771 and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit recognizes that the 10.0 acres proposed to be irrigated under this permit was included in the original place of use changed by Permit 60771 and 0.51 acre-feet per acre still exists under the original place of use not changed by Permit 60771.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on November 15, 1996 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 29.9 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed before:

Application of water to beneficial use shall be filed on or before:

Proof of the application of water to beneficial use shall be filed on or before:

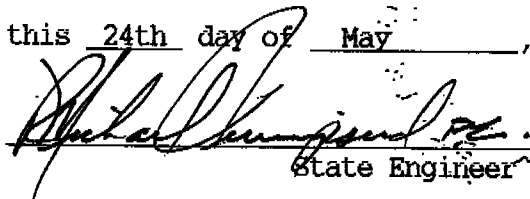

Map in support of proof of beneficial use shall be filed on or before:
